

TIGER EQUIPMENT

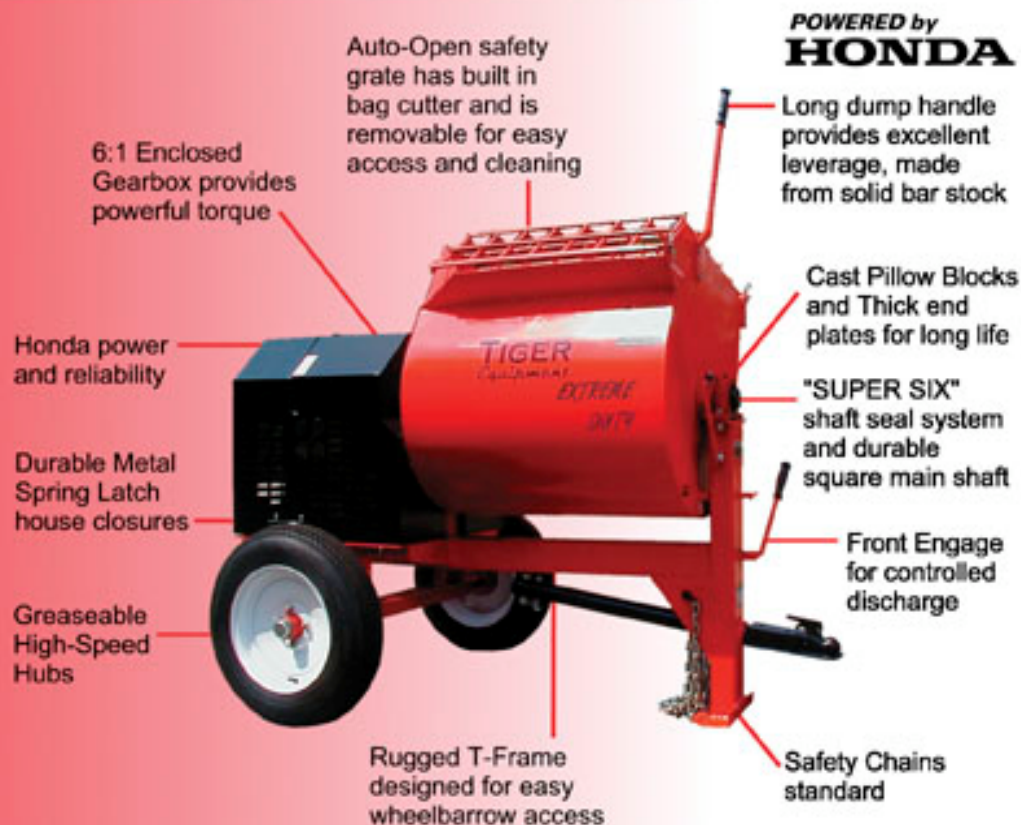

MORTAR MIXERS

The name says it all:
SturdiMix EXTREME DUTY

No knee release, foot release or pin release can match the convenience of the Tiger system. Simply set to the mix position and pull the handle to dump when ready. Each model is easy to operate with a well-balanced drum and a convenient front disengage.

Featuring heavy drum end plates, a sturdy T-Frame and a rugged engine house, Tiger mortar mixers are some of the most durable jobsite tools you will find.

Tiger mortar mixers are designed to handle all of your toughest mixing jobs.
